Dear Parent or Guardian:

Each year, Destiny School is eligible to apply for federal Impact Aid grant funds. Impact Aid is a federal formula grant program designed to assist local school districts that enroll federally-connected students. Federally-connected students are children of active-duty uniformed services personnel, children who live on federal property or in subsidized federal housing, and children who's parents are employed on eligible federal properties.

Destiny School anticipates receiving approximately \$500,000 in unrestricted funds from the Impact Aid grant. The funds become part of the school systems general operating budget and are critical for maintaining high standards for educational excellence.

We need you assistance in identifying students with federal connections to ensure that Destiny School can obtain its fair share of funds from this program. Please complete the Student-Parent Survey for Federal Impact Aid for each school-aged student in your household. Sign and date the form and return it to your child's school by September 7, 2021. Information provided will be treated confidentially.

If you have questions about the documentation provided, please call me at 928-425-7792.

Sincerely,

Cindy Cothrun
Business Manager,
Destiny School

This question is about bullying. Bullying happens when one or more students tease, threaten, spread rumors about, hit, shove or hurt another student. It is not bullying when students of about the same strength or power argue or fight or tease each other in a friendly way. Bullies are usually stronger, or have more friends or more money, or some other power over the student being bullied. Usually, bullying happens over and over, or the student being bullied thinks it might happen over and over.

21. Bullying of students at school or school activities is a problem at this school. Psafbul36
